

Barnyard Bible Study: Life of David

Charlie will be doing a four part series on the life of David.

David's Life Bible Study Lesson Plan

Lesson 1---"A Man After God's Own Heart", the great contrast between David and Saul. Saul was a man after the people's heart, but David was a man after God's heart. The climax of this contrast between a man of the people versus a man of God is the David and Goliath story.

Lesson 2---"The Blessings of Brokenness", God removed all the crutches that David leaned on, one by one until God is the only ONE. David was twelve years as a fugitive pursued by the Special Forces Delta Regiment.

Lesson 3---"The Irresistible Object of Desire", the David and Bathsheba story. David was middle age crazy, and Bathsheba was irresistible. Adultery, murder, and living in the year of the cover-up, and experiencing the discipline of the Lord.
